Ontario, CA, July 3, 2008 - ColdBox Platform Official Training Seminars today announced an Early-Bird Special discount registration price of just \$1,195 for their October 2008 ColdBox Platform 101 seminar to be held in Dallas, Texas. Registrants can take advantage of this \$200 savings over the full seminar price of \$1,395 by completing their registration before 5PM (Pacific Daylight Time) on July 31, 2008.

The ColdBox Platform 101 Seminar is a 2-Day Introduction to ColdBox and ColdBox Platform Application Development providing 16+ hours of intense, hands-on training with ColdBox author [Luis Majano](#) and other qualified ColdBox Trainers in an intimate setting with only 15 seats available. Attendees will be guided through a quick overview of [ColdBox](#) and then step-by-step instruction on putting ColdBox to work for themselves in their own applications. The skills learned in this seminar can be immediately applied to a developer's daily tasks.
